NOTES: Estimates are from Martin, Julia H. and Spar, Michael A., Intercensal Estimates and Decennial Census Counts for Virginia Localities, 1790-1980. Figures in the main table are tabulated for geography current in 1999. Historic figures for localities whose status changed between 1960 and 1970, or that existed then but not in 1999, are listed below the main table. A notation of "n/a" is used when data are not available. A notation of "--" appears when the locality was not in existence at that time. (1) 1960 Census figures are adjusted for annexations occurring between 1960 and 1970. (2) Some 1970 Census figures are adjusted for annexations occurring between 1970 and 1980. (3) Manassas, Manassas Park, and Poquoson did not become incorporated cities until after 1970. The census figures provided for 1960 and 1970 are for the towns of Manassas, Manassas Park, and Poquoson.

Notes on historic population figures: H1. Bedford City incorporated from Bedford County in 1968. H2. Fairfax City incorporated from Fairfax County in 1961. H3. Emporia City incorporated from Greensville County in 1967. H4. South Boston City incorporated from Halifax County in 1960. (It reverted back to town status in 1995.) H5.
